Tüyap Fairs and Exhibitions Organizations Inc. was established by 24 founders in 1979. The company carries out its business activities by organizing fairs, in the country and abroad, to promote goods and services in different sectors and the country's export products.

It also rents the exhibition centers of the company to domestic and foreign colleagues. The exhibition sector in Turkey has become acknowledged as an organized business activity thanks to Tüyap.

Tüyap has served around 112.000 companies by organizing 645 domestic fairs and 89 international fairs in 27 countries and it is the only fair organizer with its own exhibition center in Turkey.

Tüyap carries out its fair organizing activities domestically and abroad with the first (1) certificate of authorization and qualification issued by the Ministry of Industry and Trade and Turkish Prime Ministry Undersecretariat of Foreign Trade.

Tüyap is the leading fair organizer in Turkey holding the certificate of quality system fulfilling the requirements of TS-EN-ISO-9001-2000 (Turkish Standards Institute). Tüyap is the founder of the Turkish Fair Organizer's Association and the chairman since the foundation of the association.

Besides these, in the world Tüyap is a member of UFI Union of International Fairs, ICCA International Convention and Congress Association and is the only Turkish member of INTEREXPO, the association of organizers responsible for national participations in international trade fairs and has been the World Chairman of this association for the periods 1996-97 and 2003-2004.

(1) Tüyap Fair, Convention & Congress Center offers a wide range of facilities which are operated in accordance with international standards and cover a total area of 120.000 sqm, of which 60.000 sqm is indoor and 60.000 sqm. outdoor space while in Bursa fairs are organized at the 15.000 square meters at Tüyap Bursa International Fair and Congress Center rented from the Bursa Chamber of Industry and Trade and in Konya, at the 22.000 square meters at KTO- Tüyap Konya International Fair Center rented from the Konya Chamber of Trade.

Contact_Person : Mr. Hendrik Atzert

BMG is a privately-owned German construction company that was founded more than ten years ago. During this period, BMG has supervised projects with a total construction volume of 4 billion Euros. It has now gained an excellent reputation for prestigious projects completed with quality, timelines and client satisfaction.

Whether developing commercial buildings, public facilities, industrial complexes or infrastructure - BMG is willing to take the challenge.

BMG and its high qualified team with specialised engineers can lead large-scale projects in the fields of: structural engineering, general and engineering construction, road and railway construction, excavation and tunnelling.

Prestigious clients such as the German Government, the famous German car manufacturer BMW and many others trust in the ability of BMG to deliver to the highest standards.

In the Middle East market BMG has gained a strong foothold where design meets the ever changing world with grace and dignity.

BMG has brought to Dubai Sports City "green jewel", "The Cube".

"The Cube Condo Residence" is the first entirely German project in the heart of Dubai's World Premier Sporting Destination, a venue to watch major sports events, a place to learn and improve sporting skills.

The mission of My Dream property is to provide a property consultant team that can effectively assist Investors, Sellers and Buyers to get the maximum value on their property investment in Dubai.

Dubai is going through a Construction Boom and a large amount of investments are coming from Great Britain, Russia, & Continental Europe. Dubai offers a safe and profitable venue for overseas participation in the property sector. This is indeed the optimum time for investment in property here.

We have many Towers, Buildings, Apartments, Villas, and lands in the Freehold and non Freehold Sector in Dubai and the other Emirates.

Our organization is built on an entrepreneurial culture of professionalism with hands-on experience. We pay great attention to details, commitment, sincerity and self expression. We value our clients and customers and strive to create and maintain long lasting relationships.

Our Sister Companies are My Vacation Tourism & My Agent who are noted performers in their own fields.

The services of My Dream Property are:

- Property Renting, Leasing and Sale
- Property Management
- Liaising with Banks & Financial Institutions for Property Finance.
- Realty investment Management
- Property documentation, clearance and related legal matters.

Property Network

PROPERTY NETWORK

Suite # 1301
Sheikh Zayed Road
Dubai - UAE
Tel: 00971 4 3329733
Fax: 00971 4 3329755
Web: www.propertynetwork.ae
Contact Person: Mr. Zeeshan Durrani

Property Network aims in reaching the highest levels in providing the right mix of investment appraisals for our entire clientele; Financial Institutions, Capital Firms, Developers, High net worth individuals or an End user, all form as important components of our network.

Property Network is strategically located in the heart of Dubai, on the main Sheikh Zayed Road, the most happening street in Dubai and from where the new Dubai actually starts. Property Network is all set with a team of dynamic, young and experienced fleet of sales executives who understand the rules of market.

Keeping in mind the interest of its clients and investors, Property Network feels elated to offer an array of freehold projects in Dubai along with providing most lucrative proposals for developers.

Against the investment point of view, all of the above clubbed with an option that Property Network can use its own network to sell or/ and re-sell units or entire projects and enable our loyal clientele to enjoy the lucrative advantage of healthy premiums on their investments.

Buyer is Always Right – Utmost respect, comfort level, and best of services is what any investor would look for. Returns on investment can be low or high depending on the market trends however, building a level of trust and confidence is our prime concern.

We understand investors are always right and we always look for an opportunity to treat our clients accordingly.

End Result – Putting to bed the above mentioned mission statement, our vision is crystal clear.

We make sure our clients earn what they expect as their return so that we earn what we negotiate.

RAK Properties

P.O.Box 31113
Ras Al Khaimah
Tel: 2056200
Fax: 2056221
E-mail: rashed@rakproperties.net
Contact Person: Mr. Rashed Al-Kharti

RAK Properties, is a Public Joint Stock Company that came into formation recently with the support of RAK government to oversee the promising vision of RAK government towards the development of real estate, tourism and leisure facilities in Ras Al Khaimah. It aims at supporting and promoting economic growth and assist the emirate's development plans and maximise shareholder value by their substantial projects around the coastal and inland areas of Ras Al Khaimah. Ras Al Khaimah emirate is the furthest north of the UAE's seven emirates and is in terms of population the fourth largest. The emirate is endowed with a wealth of natural resources and occupies a prime position on some of the world's most important trade routes. This location, together with its stunning landscape and endless beaches, has ensured it has become a genuine attraction for tourists.
