

Quaid-e-Azam Muhammad Ali Jinnah

Father of Nation
Unity Faith Discipline

If Pakistan is to play its proper role in the world to which its size, manpower and resources entitle it it must develop industrial potential side by side with its agriculture and give its economy and industrial basis. By industrializing our State, we shall decrease our dependence on the outside world for necessities of life; we will give more employment to our people and will also increase the resources of the state.

On the occasion of laying the foundation-stone of the building of the Valika Textile Mills Ltd. on 26th September, 1947 www.quaid.gov.pk/speech08.htm

Anwaar-ul-Haq Kakar

**Caretaker Prime Minister of Pakistan
Care-Taker Prime Minister Islamic Republic of Pakistan**

I extend my warmest greetings and best wishes as we eagerly anticipate the 17th Build Asia - International Exhibition & Conferences, thoughtfully organized by Ecommerce Gateway Pakistan (Pvt) Ltd. This event stands as a cornerstone for the construction and building materials industry, and I am confident it will be an extraordinary success.

This event holds exceptional significance, not only for the stakeholders within the construction and building materials industry but also for our nation as a regional business hub. It provides a dynamic platform for local and international participants to come together. Build Asia Exhibition & Conferences play a pivotal role in propelling the growth and development of these industries, thus significantly benefiting our nation's infrastructure and economic progress.

As Pakistan assumes its role as a regional business hub, events like Build Asia play a crucial part in this journey. They attract investment potential from multiple sectors, promoting economic growth and fostering a business-friendly environment. In turn, this investment potential translates into a multitude of opportunities, not only for relevant industries but also for the nation as a whole.

Events like Build Asia are pivotal for fostering investment and creating synergies that transcend boundaries. They encourage innovation and technology transfer, and they play a vital role in economic development.

I extend a warm and enthusiastic welcome to all international and local exhibitors, visitors, and stakeholders attending this event. Your participation enriches the global dialogue on construction and building material advancements, reinforcing Pakistan's position as a core for innovation in these industries. Together, we can shape the future of not only our nation but also the broader region.

In conclusion, I offer my sincerest best wishes for the resounding success of this international exhibition. I firmly believe that this event will not only advance the relevant industries but will also significantly contribute to a more prosperous, modern, and interconnected Pakistan.

Justice (R) Maqbool Baqar
Chief Minister Sindh
Chief Minister's Secretariat

I am delighted to convey my sincere best wishes and greetings for the upcoming 17th Build Asia - International Exhibition & Conferences, meticulously organized by Ecommerce Gateway Pakistan (Pvt) Ltd. This event marks a pivotal moment for the construction and building materials industry in Pakistan, and I am confident it will be a resounding success.

This event holds exceptional significance, not only for the stakeholders within the construction and building materials industry but also for our province, Sindh, as Pakistan emerges as a business pivot in this particular region. It provides a dynamic platform for local and international participants to come together, and gives opportunity to collaborate, knowledge exchange, and the exploration. The Build Asia Exhibition & Conferences play a vital role in advancing the growth and development of these industries, directly benefiting the entire nation, our province and contributing to the broader regional business environment.

Sindh, with its vibrant economy and diverse opportunities, stands to gain substantially from events like Build Asia. Such exhibitions have the potential to transform our region by attracting investment across various sectors. The innovation and technology transfer that occurs during these events not only improve the infrastructure but also contribute to the prosperity and development of our province. As Sindh continues to grow and develop, events like Build Asia play a critical role in bringing new investment opportunities and fostering economic growth. The positive impact of these exhibitions extends far beyond the immediate business sphere and positively affects the lives of our citizens.

I extend a warm and enthusiastic welcome to all international and local exhibitors, visitors, and stakeholders attending this event. And best wishes for the remarkable success of this international exhibition. I firmly believe that this event will not only advance the relevant industries but will also significantly contribute to the growth, development, and prosperity of Sindh.

Irfan Iqbal Sheikh

President

The Federation of Pakistan Chamber of Commerce & Industry (FPCCI)

I send my warmest regards and enthusiastic greetings as we eagerly look forward to the 17th Build Asia - International Exhibition & Conferences, expertly organized by Ecommerce Gateway Pakistan (Pvt) Ltd at Expo Centre Karachi. This event stands as a pivotal moment for the construction and building materials industry, and I hold a strong belief in its potential for resounding success.

The Federation of Pakistan Chamber of Commerce & Industry (FPCCI) is deeply committed to advancing the interests of the business community in Pakistan. Our involvement in events like Build Asia underscores our dedication to promoting economic growth, trade, and collaboration across sectors. We recognize the pivotal role that the construction and building materials industry plays in our nation's development, and thus, we view our association with this event as a stepping stone towards economic progress and innovation.

The 17th Build Asia Exhibition & Conferences will serve as a valuable platform for our members and stakeholders. It will facilitate networking, knowledge sharing, and access to the latest industry trends. The construction and building materials sector is not only a cornerstone of economic development but also a sector with immense potential. Events like Build Asia offer a chance to explore new opportunities, foster collaborations, and attract investments.

This event offers an avenue for exploring the latest advancements in construction, enhancing the quality of infrastructure, and contributing to economic development. Pakistan is a regional business hub, and events like Build Asia strengthen our position as an ideal investment opportunity.

I extend a warm and enthusiastic welcome to all international and local exhibitors, visitors, and stakeholders attending this event. Your participation enriches the global dialogue on construction and building material advancements, fortifies our nation's business landscape, and fosters economic growth.

I offer my sincerest best wishes for the remarkable success of this international exhibition. I firmly believe this event will significantly contribute to the economic growth and prosperity of Pakistan, the land of opportunities!

Engr. Syed Ashfaq Hussain

Chairman

Constructors Association of Pakistan (CAP)

I am delighted to express my best wishes for the upcoming 17th Build Asia - International Exhibition & Conferences, arranged by Ecommerce Gateway Pakistan (Pvt) Ltd at Expo Centre Karachi. This event is a significant milestone for the construction and building materials industry, and I believe it's going to be a great success.

The Constructors Association of Pakistan (CAP) has a longstanding commitment to advancing the interests of our industry and its professionals. We have always strived to foster a conducive environment for growth, innovation, and the development of construction practices. This event is closely linked with our mission, as it provides a platform for constructors, suppliers, and industry stakeholders to convene, share insights, explore cutting-edge solutions, and collectively address the challenges and opportunities in the construction sector.

The 17th Build Asia Exhibition & Conferences are pivotal for our association and its members. They offer a dynamic setting for learning, networking, and staying up-to-date with the latest industry trends. Constructors play a vital role in shaping the built environment, and events like Build Asia are where ideas are exchanged, new materials and technologies are introduced, and collaborations are formed.

This event is beneficial not only for our members but for the entire industry. It provides a wealth of knowledge and resources, as well as the opportunity to engage in projects that have the potential to transform our cities and infrastructure. It is a platform where the future of construction takes shape.

I extend a warm and enthusiastic welcome to all international and local exhibitors, visitors, and stakeholders attending this event. Your participation enriches the global dialogue on construction and building material advancements, strengthens the industry, and fosters innovation.

I offer my sincerest best wishes for the remarkable success of this international exhibition. I firmly believe that the partnerships formed, knowledge shared, and innovative solutions explored during this event will not only benefit our association and its members but will also significantly contribute to the advancement and growth of the entire construction and building materials sector in Pakistan.

Engr. Muhammad Najeed Haroon
Chairman
Pakistan Engineering Council (PEC)

I send my heartfelt greetings and best wishes for upcoming 17th Build Asia - International Exhibition & Conferences, arranged by Ecommerce Gateway Pakistan (Pvt) Ltd at the Expo Centre in Karachi. This event stands as a momentous occasion for the construction and building materials industry, and I hold unwavering confidence in its forthcoming success.

The Pakistan Engineering Council (PEC) is at the forefront of regulating and advancing the engineering profession in Pakistan. Our role encompasses setting and maintaining highest standards of engineering practice and education. In partnership with events like Build Asia, PEC aims to provide a platform for engineers to showcase their innovations and knowledge exchange.

The 17th Build Asia Exhibition & Conferences provide a valuable platform for the engineers and allied stakeholders connected with this sector. It offers the opportunity to showcase engineering excellence, share insights, and stay updated on the latest industrial trends. Engineering is fundamental to the construction and building materials and this event serves as a conduit for engineers to actively engage and contribute to the growth and development of this sector. The climate change considerations demands for innovative design and resilient infrastructure to deal with possible hazards.

Such exhibitions fosters the growth of the engineering profession, contributes to the development of our infrastructure, and promotes innovation and sustainable practices. The knowledge exchange and partnerships formed during events like Build Asia drive progress not only in the engineering sector but also in the nation's overall development.

A sincere welcome to all distinguished international and local exhibitors, visitors, and industry stakeholders joining this event. Their participation not only enriches the worldwide discourse on advancements in construction and building materials but also fortifies the industry while nurturing innovation within engineering practices.

I offer my best wishes for the resounding success of this global exhibition. And I believe that this event will play a pivotal role in propelling the engineering profession forward and fostering the holistic growth of Pakistan.

Babar Miraj Shami
 CEO

Pakistan Stone Development Company (PASDEC)

I wish my sincere greetings as we eagerly look forward to the 17th Build Asia - International Exhibition & Conferences, masterfully organized by Ecommerce Gateway Pakistan (Pvt) Ltd at Expo Centre Karachi. This event is a significant milestone for the construction and building materials industry, and I hold every confidence that it will be a tremendous success.

The Pakistan Stone Development Company (PASDEC) is dedicated to promoting the stone industry in Pakistan. We recognize the vast potential of our natural stone resources and their significance in the construction sector. PASDEC actively participates in events like Build Asia to showcase the immense possibilities that lie within Pakistan's stone industry. We aim to facilitate partnerships, knowledge exchange, and technology transfer in the stone sector.

The 17th Build Asia Exhibition & Conferences present a valuable platform for PASDEC and its stakeholders. It enables us to demonstrate the quality and diversity of Pakistani stone products, fostering collaborations with national and international stakeholders. The construction industry heavily relies on stone materials, and this event allows us to highlight the wealth of opportunities for the stone sector in Pakistan.

This event is not only beneficial for PASDEC but also for Pakistan as a whole. It enhances the country's position as a hub for stone resources and provides a platform for international and local stakeholders to explore Pakistan's stone potential. The stone industry is not only a source of revenue but also a means to advance sustainable development.

I extend a warm and enthusiastic welcome to all international and local exhibitors, visitors, and stakeholders attending this event. And I offer my best wishes for the remarkable success of this international exhibition. I firmly believe that this event will not only benefit PASDEC and its mission but will also significantly contribute to the growth and development of the stone industry in Pakistan, a sector with boundless potential.

Ar. Zulfiqar Ali
President
Institute of Architects Pakistan (IAP)

I convey my sincere best wishes as we eagerly anticipate the 17th Build Asia - International Exhibition & Conferences, thoughtfully organized by Ecommerce Gateway Pakistan (Pvt) Ltd at Expo Centre Karachi. This event is a significant milestone for the construction and building materials industry, and I have every confidence it will be a tremendous success.

The Institute of Architects Pakistan (IAP) is dedicated to advancing architectural excellence in our country. We serve as a driving force for innovation, professional growth, and the development of architectural practices. This event aligns seamlessly with our mission, as it provides a platform for architects, builders, and industry stakeholders to come together, share knowledge, explore cutting-edge solutions, and collectively address the challenges and opportunities in the construction sector.

The 17th Build Asia Exhibition & Conferences are invaluable for our institute and its members. They foster a dynamic environment for learning, networking, and staying updated on the latest industry trends. Architects play a pivotal role in shaping the built environment, and events like Build Asia are where ideas are exchanged, new materials and technologies are showcased, and partnerships are formed.

This event will be beneficial not only for our members but also for the entire industry. It offers a wealth of knowledge and resources, as well as the opportunity to collaborate on projects that have the potential to transform our cities and communities. It's a place where the future of architecture and construction takes shape.

I warmly welcome all the companies, guests, and everyone involved in this event. Your involvement helps us all learn more about construction and building materials, making our industry better and more creative.

I wish this 17th Build Asia a great success. I truly believe that the friendships we make, the knowledge we share, and the new ideas we explore here will not only help our institute but will also play a big role in making the construction and building materials industry in Pakistan even better and more advanced.

Dr. Khursheed Nizam
